Making Music, Making a Difference

"Without the generous support of the Kayla Foundation, our Bauder students would not have the exceptional music opportunities that they do. We are lucky to have the Kayla Foundation as a tremendous resource in our Fort Collins community." - Deanna Franklin Bauder Elementary

Think of a child standing outside a school's music room, looking in through a small window, watching the other kids inside singing or playing instruments and wishing they too could participate. If only...

Sadly, many local children don't have the means to be able to afford to participate in their school's music programs. The Kayla Foundation would like to change that reality.

The Kayla Foundation combines Kayla's love of kids, the community and music with her unwavering desire to help others in need.

"The Kayla Foundation lights a fire in the music classroom, by providing funding for needed supplies and items which create success in music. Students who are helped by grant items are grateful and inspired to continue in music. You are saving lives!" - Melissa Flail Cache La Poudre

"The Kayla Foundation changes many lives through the gift of music. I think the Kayla Foundation is leaving a footprint that will exponentially change lives in ways that we will not even be aware of." - Andrea Hollenbeck, Preston Middle School
